To provide leadership, focus, support, and information to assist Maine school systems and the greater community in achieving high performance for all students.

Office of the Commissioner

Office of the Commissioner has broad responsibilities for both supporting the work of all other organizational units in the Department and representing the Department within these areas of responsibility.

Commissioner

Susan A. Gendron
(207)624-6620

Student Assisted Teams (S.A.T.)

Student Assisted Teams (representatives include members of community agencies as well as educators) operate from kindergarten through grade twelve in order to help students referred for intervention to become more efficient learners. The goal of teams is to develop school wide programs and/or also act as a place where pre-referral for special education services are initiated.
