

Renew & Rekindle

***Come Celebrate the
Good Works You Do***

DIDN'T JESUS TAKE TIME APART?

Sometimes we get so busy helping others that we forget to "nourish" ourselves by making time to pray, reflect and dialogue about our ministry -

***Yes - Jesus took time apart
to pray before
He embarked on His ministry***

Why Do This?

- To live our Baptismal call as Jesus asked of us in Mt. 25
- To nourish & renew ourselves spiritually
- To deepen cluster relationships
- To learn more about Catholic Social Teaching
- To dialogue with each other about the Cluster's social ministry
- To share hopes and dreams for parish social ministry

Take "time apart" to:

- Reflect on, or renew your cluster's social ministry with Scripture & Catholic Social Teaching
- Explore your personal call & talents for this ministry
- Consider your cluster's parish social ministry :
 - Look at its priorities
 - Explore what's working well and maybe not so well
 - Dream about "what could be"
 - Learn tips for attracting volunteers
 - Identify action steps for the coming year
