Join the Catholic Charities HOP Team!

If you like to volunteer but don't have the time for an on-going commitment, the Catholic Charities HOP Team might be right for you! HOP stands for Hands On Projects. It's our team of volunteers who can be available for one-time, short-term projects where an extra pair of hands is just what is needed! If you have the time to "just hop over for a couple of hours," here's a sample of what you might be doing:

- Stuffing envelopes
- Making copies of the newsletter
- Folding inserts headed for parish bulletins
- Organizing files
- Rearranging boxes in the storage area
- Helping at an event, like our annual golf tournament

When special tasks arise, we'll contact everyone on the HOP Team and you can opt in if you're available. To learn more, please call 781-8550.

We are Catholic Charities...

H O P E

and help for people in Maine

WE ARE CATHOLIC CHARITIES.

Each day, the employees and volunteers of Catholic Charities Maine come to the aid of the poor and vulnerable across the state of Maine. We see the faces of people suffering from mental illness, hurt and frightened children and families, those fallen victim to loneliness and isolation, those battling addictions, anxious refugees, and thousands of others who have been stripped and beaten by circumstance.

A faith-based, non-profit organization, we have been serving the poor and vulnerable populations of Maine since 1966. From food banks in Aroostook to child care in York County, our network of 650+ professionals and 650+ volunteers helped more than 55,000 of our neediest neighbors last year, answering want with generosity and replacing despair with hope.
