THANKS TO YOU! Total Giving Increased 36% in Fiscal Year 2017*

*Does not include United Way, federal and state grants, or Diocesan funding.

Wow, what generous donors we have! Fiscal year **2017** philanthropic efforts resulted in \$923,843 raised to support our most vulnerable neighbors in need, regardless of faith, all across the state.

From our spring and fall appeals to our annual Golf Classic...from grants to bequests....from sales of our December Days calendars to proceeds from our CARS vehicle donation program...from shopping on AmazonSmile to shopping at our Thrift Stores it all adds up to a year of our donors giving more so we can do more!

We hope you will join us in continuing to invest in the vulnerable populations that need our help the most so that 2018 shines brighter for all of us in Maine.

BUSINESSES AND ORGANIZATIONS OFFERING HOPE THROUGH GRANTS & DONATIONS

We are especially thankful for the steadfast support of area businesses in Aroostook County. Aroostook Savings & Loan, WAGM-TV and Goughan's Berry Farm teamed up again to raise funds for the Feed the County initiative with the 2nd Annual Feed The County Family Fun Fest at Goughan's Berry Farm in September. The result of this powerful partnership was more than \$8,300 raised to help feed folks in the County. This is just one of the many ways these companies lend their support all year long.

In November, Murray-Heutz Oil and Propane launched a new program to help struggling families stay warm this winter called *Spread the Warmth*. A premier heating fuel supplier and heating service provider in Central Maine, the company teamed up with Catholic Charities to seek nominations for a needy family to receive a new heating system free of charge. The company also encouraged folks to donate online to help offset the heating costs for even

more families.

Our Hunger & Relief Services program has received \$80,000 from the Sewall Foundation to create a low carbon footprint veggie processing center in Caribou, and another **\$20,000 from Catholic Charities USA** for equipment for the center. This will allow us to process the fresh vegetables grown and gleaned through our Farm for ME program to provide nutritious, locally-grown produce throughout the year to individuals struggling with food insecurity.

We provide comfort, we feed the hungry, we stand for the vulnerable, we seek wholeness, we bring recovery, we teach the children, we offer support to seniors, we strengthen families, we welcome strangers, we change lives. WE ARE CATHOLIC CHARITIES MAINE!
