

The Collection for the Catholic Campaign for Human Development (CCHD) was founded to end the cycle of poverty in the United States by funding organizations that help people help themselves. CCHD grants improve education, support economic development, and help communities provide housing in low-income neighborhoods. **25% of this collection will remain right here in Maine to support our parish ministries that make lasting changes in people's lives and uplift the poor living in our communities.** Please prayerfully consider your contribution to the CCHD collection on the weekend of November 19th-20th.
